

Re: Automated License Plate Reader's Data Sharing Acknowledgment Letter

This letter is to certify that Edmonds PD has requested to receive data from the Lynnwood Police Department's Flock Safety Automated License Plate Readers Program.

Data shared by the Lynnwood Police Department will be used for law enforcement and public safety purposes ONLY.

Restrictions on use:

- ALPR technology and data shall not be used for the sole purpose of immigration enforcement.
- Without another clearly articulated nexus to activity that is or would be criminal in Washington State, ALPR technology and data shall not be used to specifically target or track the movement of vehicles traveling to or from healthcare facilities, including but not limited to hospitals, clinics, mental health providers, and reproductive health care centers. This restriction applies irrespective of the vehicle's origin, destination, or the medical services sought by the individuals.
- ALPR technology and data shall not be used for the sole purpose of monitoring individual or expressive activities protected by the First Amendment of the United States Constitution.
- ALPR technology and data shall not be used for personal use, harassment, and any other usages that are inconsistent with the Lynnwood Police Department's Flock Safety Policy.

By signing this letter, the representatives of Edmonds PD agree to abide by this policy.
